

Volusion Payments Powered by Stripe: A New and Better Way to Collect Payments

We have recently upgraded our Volusion Payments offering by partnering with Stripe to offer a secure, technology-driven payments solution that is easy to set up and use.

Streamlined Payments for Volusion Merchants

Take advantage of a centralized payments solution that gives you more time to focus on your customers.

- ✓ **Payments:** A complete toolkit to help you easily accept payments online from local and international customers in 135+ currencies.
- ✓ **Dashboard:** An intuitive, centralized dashboard that unifies all your store's payments and features real-time metrics reporting.
- ✓ **Radar:** A modern solution to detect and block fraud using machine learning that is built in automatically for every Stripe account.
- ✓ **Solid Security:** Your business and customers are fully protected by a tried and tested PCI Level 1 Certified gateway.
- ✓ **In-House Risk Team:** Our meticulous Risk Team monitors abnormal transactions and assists with inquiries related to fraud, giving you an added layer of protection.
- ✓ **Live In-House Support:** Our knowledgeable payments agents are available via phone or email to answer any questions.
